## LA SALLE UNIVERSITY'S WEEKLY INFORMATION CIRCULAR

Dear Members of the La Salle University Community,

Sept 1st, 2000

There have been many preparations in anticipation of this new semester. Along with other initiatives and messages, our summer Day One program and our Opening Weekend activities included attention to and discussion about the value of diversity on our campus. During Opening Weekend, members of our community were invited to read and sign banners that bear the following message:

### **Let us remember...**

As a member of La Salle University, I continue to support and celebrate diversity. Bigotry and intolerance have no place in the Lasallian tradition of in the Lasallian community. I pledge to actively uphold those beliefs as we create a welcoming and productive environment for learning.

**...we are in the holy presence of God.**

Since mid-August, however, there have been at least five incidents of discriminatory graffiti at La Salle University. We are sure you will agree that this behavior, indeed, must find no acceptance here. By signing and displaying the pledge on the reverse of this page, we hope that you will stand in support of the shared values of our community. Please proudly display this pledge in your work areas, and stand together against these awful incidents.

Sincerely,

Alan B. Wendell
